CIRCUMSTANCES

Barbara was last seen in Harrison County, Iowa on May 6/89. At that time, her mother was hospitalized and Barbara visited her every day. When she did not visit her mother for two days in a row, her mother sent relatives to check Barbara's residence. They found her coffee pot half-full and switched on inside her home, her laundry half-folded, and Lenz's keys and purse left there. She has never been heard from again. Investigators believe Lenz was taken against her will.
