Sandra goes by the name "Sandy". She wears glasses and dentures. She may have been wearing a gold banded watch and a thin gold wedding band on her pinky finger. She has hysterectomy and splenectomy scars, a birthmark on her buttock, a previous broken jaw, nose, eye socket and ribs.

CIRCUMSTANCES

Sandra was last seen at her home by her husband, who stated she had died while visiting her children in Illinois. After that was verified as untrue, he stated that Sandra had left with a truck driver out of southern Illinois in a white semi-truck with small red lettering. This has never been confirmed.
